## WHAT IS A COLLEGE CONNECTION COACH?

Your College Connection Coach provides guidance and support to students, and helps them explore future career and college opportunities.

## WHAT SERVICES DOES THE COLLEGE CONNECTION COACH PROVIDE?

- College transition services, assistance with admissions applications, financial aid, and college visits
- Assistance with exploring careers, education, and training options
- Development of an academic/career plan
- Free small group workshops on career planning and college
- In-class presentations on career and college-readiness
- Assistance reviewing Indiana Career Explorer assessment results
- Administration of the Choices Planner career assessment test
- Information about dual credit classes. To learn more about dual credit, visit [IvyTech.edu/dual-credit](http://IvyTech.edu/dual-credit).

## WHO SHOULD VISIT THE COLLEGE CONNECTION COACH?

Your student should visit their College Connection Coach if he or she is:

- Uncertain what to do after high school
- Thinking about signing up for a dual credit class
- Not sure what do with the college credits they have already earned
- In need of assistance with a college application
- Thinking about applying for college scholarships and/or financial aid

## HOW DO I CONTACT THE COLLEGE CONNECTION COACH?

Students can just stop by their high school counselor's office for more information. The school counselor will connect students with the College Connection Coach.
